Serving Our Parish

Our Communications Committee is looking for new members with experience in electronic communications and digital media, as we move to improve our website, newsletter and social media presence. We're looking for people with skills in one or more of the following areas: website design and maintenance, social media management, newsletters, graphic design, content creation, photography, video editing, and other digital communication tools and platforms. Please email Amanda Riker at aderosa26@gmail.com

Our 8 am service is in need of additional readers and Eucharistic ministers. It is wonderful to have so many regular parishioners attending our 8 am service. We'd like to encourage more participation in the church service and also give others an opportunity to grow in their worship experience by reading a morning bible passage as we share God's word with others at 8 am. We only have 3 Lay Ministers to assist Father Ed at our 8 AM worship. We need a fourth person to help with the month's schedule. It can be a challenge if all 3 Eucharistic ministers are away at the same time. A fifth person to act as substitute would be ideal. Please give this prayerful consideration as we can continue our worship at the 8 am service. Reach out to Father Ed, or any of the Eucharistic Ministers with any questions. Training is provided.

Notes from the Office

In an effort to eliminate scam texts, etc, from now on, the office will use only your email address that is currently on record. If you need to update your email information, there is a form on the Church Secretary's office door to notify the office of the change.

Please continue to be alert and cautious if you receive any suspicious emails or texts. Do not respond to them. If any doubt, please contact the Church Office. Remember, Father Ed and Bishop Richards will NOT ask for money or gift cards!

Please observe the speed limit in the entire neighborhood but especially on Pine Street and Springs St. We want to be good neighbors in this community. The neighbors help keep watch over the church, and we want to respect the neighborhood.
